

SOT Meeting February 11, 2020
Meeting Called to Order at 4:02pm
Attendees: All SOT Members are present

Reviewing of last meetings minutes

- Minutes approved from last meeting

Old Items

- **SPP**
 - Full SPP provided for the SOT to look at
 - Revision made for 5th grade's levels of growth
 - Will revise as a staff what the school wide % for math will be
 - SPP due Feb 20th for the 20-21 school year this plan will transfer into next school year
 - Meant to be edited and added to throughout the school year
 - **SOT members will be look over and feedback will be brought back by the next SOT meeting**
 - Discussion about the school climate section and whether or not there should be measurable goals attached
 - There is no measurable goals instead this has been written up to help improve school climate
 - No one will be penalized for not following the SPP climate goal
- **Public Comments (Partnerships, Sanford Harmony Data, School Climate Goal)**
 - School partnerships handout looked at with a list of all partnerships we've had in the past
 - Still have relationship with the rotary club
 - Green our planet is still a partner they provide gardeners and farmers
 - Andson still working with the piggy bank and banking lessons
 - Horace Mann still helping with teachers
 - Junior Achievement was still here in the fall
 - United Way
 - Children's Discovery Museum working with fifth grade still
 - Zappos has been contacted about doing a mural
 - Nellis Airforce Base 5th grade is going for STARBASE
 - BBBS cannot be held after or before school or during recess time so as of now we do not work with BBBS since they only offer bigs during instructional time
 - **Will rediscuss with updates from the current school year about the status of the partnerships that we still have or have discontinued**
 - Playworks
 - What is the current situation of Playworks
 - It is currently not in affect because we do not have staff to run the program
 - Applications have been sent out to 3rd 4th and 5th grade students to be JR coaches

- We will be training the JR coaches once we establish who they are
- Southern Nevada Health District have funds up to \$1000 to provide health and wellness benefits
- Will be coming out March 6th to meet our P.E. teacher
- **Will discuss process for gaining new partners at next SOT meeting**

New Items

- **School Updates**
 - Explos are going well and running great
 - Mighty Math Day will be happening next Tuesday
 - STEAM night will be happening on Wednesday
 - Lollipop fundraiser is going well and proceeds will go to a charity chosen by the students
 - Counselor is still not finalized waiting on fingerprints to clear and to hear word from HR
 - Sanford Harmony is being pulled on more frequently
 - Sped teachers are providing ideas on how to support students
 - There are no one-to-one or group sessions currently taking place
 - Social workers have been contacted but there are other schools with bigger needs so if there are students in crisis other counselors will be contacted but there is no counselor or social worker on campus
 - There will be no group sessions or other sessions until the new counselor is hired and here on campus
 - 3 new Kinder teachers have been added to next year
 - New humanities teacher will be added
 - Learning strategist will be hired next year to focus on TIER II and TIER III
- **Strategic Budget**
 - Reviewed of the licensed staff
 - Additional Kinder teachers and Humanities teacher
 - Adding a new math curriculum
 - Parents would like to have a online component
 - All technology programs will be renewed
 - Learning Strategist in Title I and 1 CTT in title I
- Co Chair: Thorton Boulware

Agenda Planning for next meeting

- Old Items
 - **Will discuss process for gaining new partners at next SOT meeting**
 - **Will rediscuss with updates from the current school year about the status of the partnerships that we still have or have discontinued**
